How To Locate Foreign Language DVDs in the Fordham University Collection

- Select WorldCat from the library home page
- Select the Advanced Search option
- In the “Search For” area of the Advanced Search
  o Type the desired language keyword in the first search box
  o Use the drop down box to the right of that word to select “Language Phrase”
  o Leave the other keyword search boxes empty
- In the “Limit To” area of the Advanced Search
  o Select your desired language from the “Language” drop down box
- In the “Limit Type To” area of the Advanced Search
  o Select the “Visual Materials” box
- In the “Subtype Limits” area of the Advanced Search
  o Use the drop down box with the default words “Any Format” to select the specific format you want (either DVD Video or VHS Tape)
- In the “Limit Availability” area of the Advanced Search
  o Check the box for “Items in my library”
  o OR – type the code for the Fordham University Libraries “VYF” in the “Library Code” box provided
- In the “Rank By” area of the Advance Search
  o Select the sort option you prefer (perhaps date?)
