40 YEARS OF SERVICE IN WESTCHESTER COUNTY

FORDHAM WESTCHESTER

2008 saw the official opening of Fordham’s new Westchester state of the art campus at 400 Westchester Avenue. Continuing the educational traditions the school established in Westchester, the university offers advanced degrees in Education, Social Service and an EMBA Program. For the adult learner, the School of Professional and Continuing Studies offers over 30 majors with certificate programs along with the BA and post baccalaureate degrees. The campus is also home to four institutes: the Beck Institute on Religion and Poverty, Children FIRST, the National Center for Social Work Trauma Education and Workforce Development, and the Ravazzin Center for Intergenerational Studies. Fordham Westchester serves residents of Westchester, Putnam, Rockland and Connecticut and hosts the online GSS program.

Following the Jesuit mission of service, Fordham Westchester has fostered many community relationships. The campus sponsors, participates in and hosts many groups such as the Archdiocese of New York, Girls Scouts Heart of the Hudson “Cookie Institute,” the National Association of Social Workers (Westchester Division), Food Bank for Westchester, United Way of Westchester and Putnam, Westchester County Association and the Business Council of Westchester. The Westchester campus was the founding location for the Veterans Writing Workshop in 2009 which it still hosts today and has expanded to other campuses.

In 2009, the Fordham Westchester campus received Building of the Year from BOMA (Building Owners and Managers Association) recognizing Fordham’s support and encouragement of the economic growth of Westchester.

In 2016, the Fordham Westchester campus took first place in a new survey of Top Workplaces in the lower Hudson Valley, thanks to the tight-knit and supportive environment that has been cultivated at the campus.
